PUBLIC COMPONENT LIBRARY / 公共空间组件库

P01 Cell module

P02 Pattern platform

P03 Growth garden

P04 Bilingual wayfinding

P05 Event kit

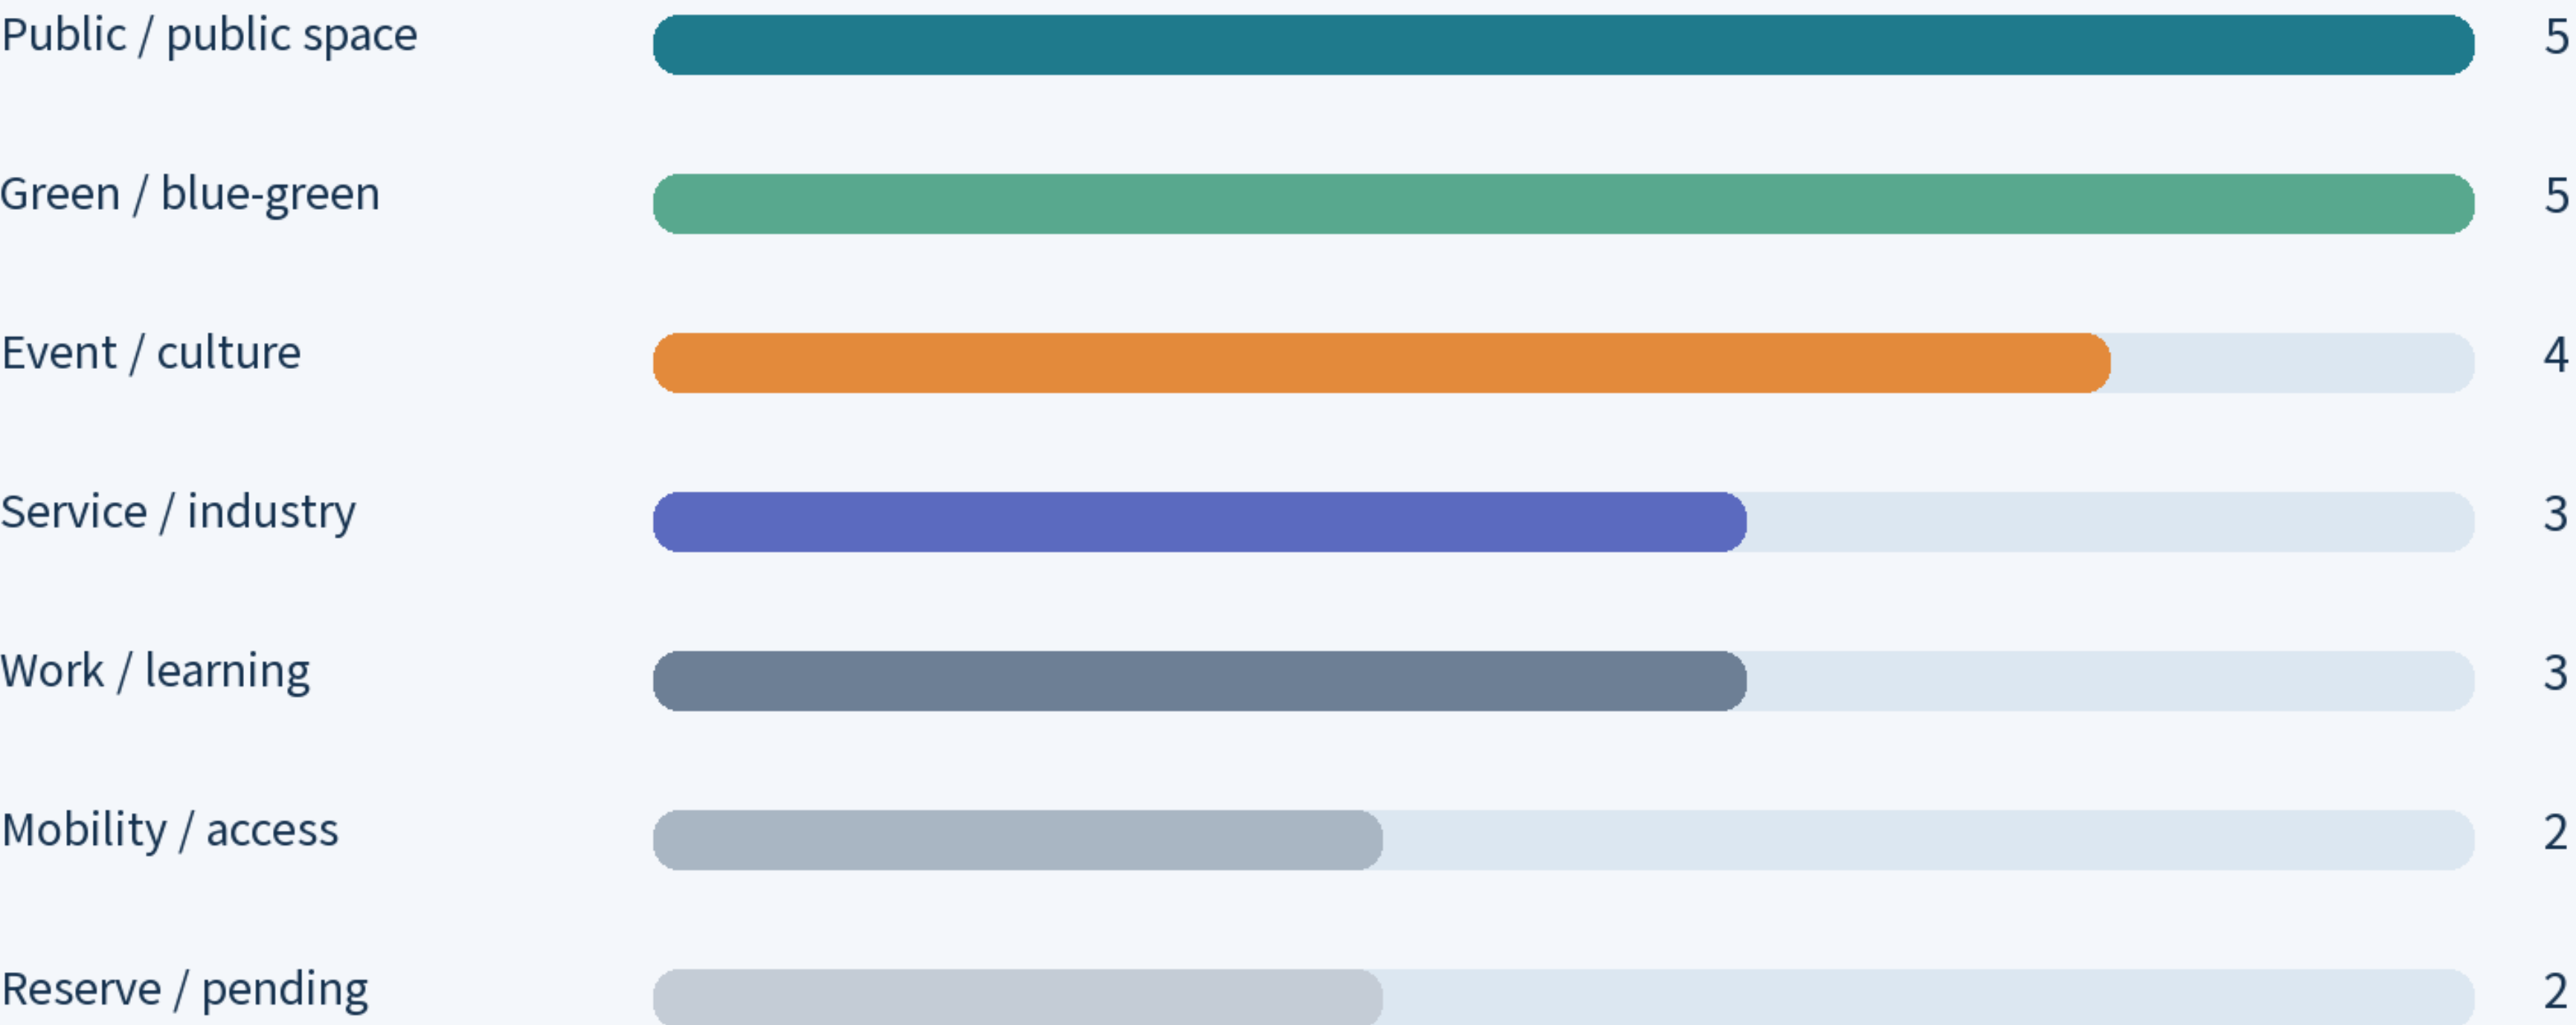

All landmark locations, rights, fire, accessibility and maintenance remain pending inputs before physical deployment.

PROVISIONAL / human review + offline fallback / not a statutory plan

LAND USE / 24 FEATURES

land_use_zone_count = land_use_feature_count = 24 • not statutory parcels

RELAY • JZ
CONCEPT

Recalculate after official geometry; current feature set is provisional repository data.

PROVISIONAL / human review + offline fallback / not a statutory plan

EVIDENCE CONTRACT / 证据合同

10 scenario cards • 3 protocols • 8 nodes • 5 cases • 5 personas

RELAY • JZ
CONCEPT

10 SCENARIO CARDS

SC-01—SC-10

3 TEST PROTOCOLS

TP-01—TP-03

8 SCENARIO NODES

N01—N08

5 GLOBAL CASES

G01—G05

5 PERSONAS

P1—P5

24 LAND USE FEATURES

same GeoJSON count

Every card has user, problem, node, minimised data, AI input/output, human review, offline/accessibility fallback, operator, KPI and shutdown.

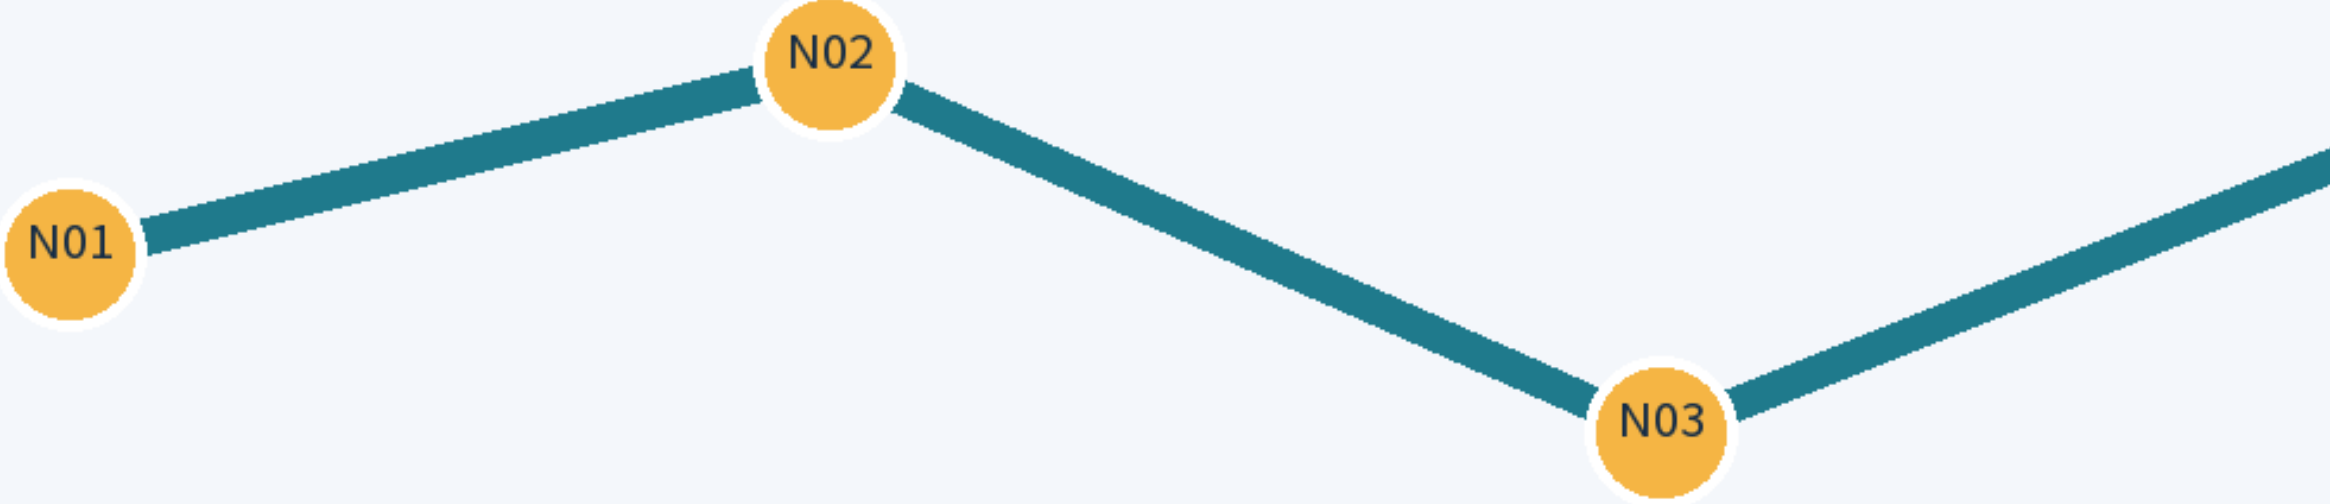

PROVISIONAL / human review + offline fallback / not a statutory plan

MOBILITY + BLUE-GREEN / 交通与蓝绿

concept target • accessible continuity formula • no fixed permeable percentage

RELAY • JZ
CONCEPT

ROUTE LOGIC / 连续性验证

Accessible continuity = continuous accessible segment length / target walking segment length. Verify against official rights-of-way, clear width, crossings and field sampling.

TARGET

Permeable treatment ratio = permeable retrofit area / eligible permeable area. No fixed percentage before soil, drainage, fire and maintenance review.

FALLBACK / 兜底

Human patrol • visible signs • paper route • phone repair

PROVISIONAL / human review + offline fallback / not a statutory plan

All quantities are package-known or provisional; no deployment claim.

3 key areas / 3 landmarks / 8 scenario nodes / 10 scenario cards

3 test protocols / 5 personas / 5 global mechanism cases

3 phases / 3 annual programs / 24 land-use features

D01 N01 Forum Plaza: human/printed fallback

D02 N02 Code Dock: small safe public-code test

D03 N03 Loop Gallery: licensed exhibit or anonymous theme

Human review, offline/accessibility fallback, withdrawal and shutdown are mandatory.
